### UCEAF SUPERIORS AND BURSARS MEETING

**L-R Frs. Steven Mukami, Damasius Kayemba, John Bosco Kamoga, Florentine Mallya, Dominic Gathurithu and Kastory Kisuda**

The cross-border movements are visibly on the rise in East Africa because COVID 19 restrictions have been eased. This development allowed UCEAF Superiors and Bursars to resume statutory meetings. The Formators did the canonical visitations of our formation communities before Easter and concluded the exercise by a meeting in Nairobi. Superiors and Bursars met in Nairobi on 20 April, 2022 at Poullart des Places Provincialate for a full day of work. Unfortunately, those from Ethiopia and South Sudan couldn't make it for the meeting. We covered a lot of ground within a short period of time. On top of the menu were urgent issues concerning our common formation communities.

At the end of the heavy day of work, we managed to make a quick visit to Lang'ata to inspect a refurbished house, thanks to the Generalate, intended for confreres who will be sent to do specialized studies, formation of formators courses and renewal. The work has been supervised by Fr Gerard Nnamunga. We must recognize the fact that the availability of this house in such a prime and strategic place is a blessing to UCEAF region but also to other Spiritan Circumscriptions.

We joined the scholastics, 57 in number, for both evening prayer and supper. Another meeting is scheduled towards the end of the year hoping that our Rome Correspondent, Fr Jeff Duaine, would be among us.
